

Gifts to the Garden from July 1, 2006 to June 30, 2007

Individuals

BBG gratefully acknowledges the many friends whose generosity helped the Garden to grow and flourish this year. This listing primarily recognizes support for BBG's annual operating needs. These contributions have served as cornerstones for BBG's educational outreach, scientific research, and horticultural programs.

The Gager Society, named for the Garden's visionary founding director, Dr. Charles Stuart Gager, comprises individuals who make significant membership gifts to support the ongoing work of the Garden. Gager Society Members are indicated by *.

In Kind Gifts

BBG is grateful to the friends who gave special gifts and services that enriched the Garden this year.
